

It Stands Alone.

Doctor Pierce's Favorite Prescription stands alone, as the one and only remedy for leucorrhea, female weakness, prolapsus, or falling of the womb, so absolutely specific and sure in curing these common ailments of women, as to warrant its makers in offering to pay, as they hereby do, the sum of \$200 reward for a case of the above maladies which they can not cure. This is a remarkable offer. No other medicine for the cure of woman's peculiar ailments is backed by such a remarkable guarantee. No other medicine for woman's ills is possessed of the unparalleled curative properties that would warrant its makers in publishing such an offer; no other remedy has such a record of a third of a century of cures on which to base such a remarkable offer.

Mrs Emma Weller, who is Secretary of the People's Christian Association, at 183 Madison Avenue, New York City, sends Doctor Pierce's Favorite Prescription to every sick and tired woman, for it cures them when other medicines fail. Know whereof I speak, for I have had constant headaches; sometimes two weeks to perform my daily duties, and when the day was over I could hardly stand. I was tormented from nervousness and indigestion, and everything I ate distressed me. Doctored with different physicians but received no relief. After reading Doctor Pierce's advertisement to give "Favorite Prescription" a trial. Am very glad I did, for I found it just what I wanted. I have been well ever since, and am much better until, after seven weeks, I was entirely cured. I have remained in perfect health ever since, and remain a firm friend of your "Favorite Prescription."

The dealer who offers a substitute for "Favorite Prescription" is only seeking to make the little more profit afforded by a less meritorious medicine. His profit is your loss. Therefore, turn your back on him as unworthy of your patronage.

If consipated use Dr. Pierce's Pleasant Pellets. They cure constipation, biliousness and sick headache. They do not produce the "pill habit."

INDIANOLA POSTMASTER NAMED
President Appoints W. B. Martin to
Succeed Colored Woman.

Washington, Jan. 28.—The president has appointed W. B. Martin to succeed Mrs. Minnie Cox as postmaster at Indianola, Miss. Mrs. Cox was postmaster there some time ago, the white inhabitants of the place refusing to accept their mail from Mrs. Cox, who is a negro. Martin, who is a white man, was one of Mrs. Cox's bondsmen.

Concerning the appointment, the following statement was issued at the White House: "The president has sent to the senate the nomination of W. B. Martin to be postmaster at Indianola. The term of the postmaster has expired, and she positively refused to accept a reappointment under any consideration, and made the request for the appointment of Mr. Martin, one of her bondsmen and stamp friends throughout the whole trouble, and who had done everything in his power to oppose and prevent lawlessness. A report was made by the postoffice inspector who had originally investigated the whole affair, and on his advice and in view of the positive refusal of the postmaster to accept a reappointment under any consideration, the president appointed W. B. Martin."

It will be recalled that Mrs. Cox, whose husband was a railway mail clerk, became objectionable to some of the citizens of Indianola, and she was finally requested by them to resign her office. Threats were made against her and she was led to believe that her life was in danger. She expressed to the postoffice department a desire to resign, but when the facts were developed, the department declined to permit her to do so.

For Over Sixty Years.
Mrs. Winslow's Soothing Syrup has been used for over sixty years by millions of mothers for their children while teething, with perfect success. It soothes the child, softens the gums, allays all pains, eases wind colic, and is the best remedy for Diarrhoea. It will relieve the poor little sufferer immediately. Sold by Druggists in every part of the world. Twenty-five cents a bottle. Be sure and ask for "Mrs. Winslow's Soothing Syrup" and take no other.

A Cure for Eczema.
My baby had Eczema so bad that its head was a solid mass of seabs, and his hair all came out. I tried many remedies but none seemed to do any permanent good until I used DeWitt's Witch Hazel Salve. The Eczema is cured, the seabs are gone and the little one's scalp is perfectly clean and healthy, and its hair is growing beautifully again. I cannot give too much praise to DeWitt's Witch Hazel Salve.—Frank Farmer, Bluff City, Ky. In buying Witch Hazel Salve look out for counterfeits. DeWitt's is the original and the only one containing pure Witch Hazel. The name E. C. DeWitt & Co. is on every box. Sold by D. C. Bowman.

Knowledge of a good many men consists of things that aren't so.

GOOD SPIRITS.
Good spirits don't all come from Kentucky. Their main source is the liver—and all the fine spirits ever made in the Blue Grass State could not remedy a bad liver or the hundred and one ill effects it produces.

You can't have good spirits and a bad liver at the same time. Your liver must be in fine condition if you would feel buoyant, happy and hopeful, bright of eye, light of step, vigorous and successful in your pursuits. You can put your liver in fine condition by using Green's August Flower—the greatest of all medicines for the liver and stomach, and a certain cure for dyspepsia and indigestion. It has been a favorite household remedy for over the last five years. August Flower will make your liver healthy and active, and thus insure you a liberal supply of good spirits. Trial size 25c, regular bottles 50c. At all druggists.
